

Testimonials

Have a read through some of the many comments that our satisfied customers have sent to us over the years.

Dear Sir/Madam,

Thank you for your good customer service and for taking the time to get the job done properly.

Yours sincerely

Dear Mr. Fletcher,

All the work was completed with a minimum of disruption, to an extremely high standard and at a very competitive cost. Everyone from the company with whom I came into contact with was extremely professional, courteous and helpful. Furthermore, the level of service that I received in maintaining contact to keep me updated of progress was superb. I would be grateful if you would pass on my particular thanks to Andrew Fenton who provided the initial estimate, Pat in the office, Darren for the additional brickwork, and the teams of installers who conducted the majority of the work in my absence.

I am delighted with the outcome and would not hesitate to recommend Lytham Windows to others. I would be pleased to provide references of your work to future prospective customers.

Many thanks

From Pat in the office to Steve and Andrew in the planning process, to Carl and Rob, surely the "A" team of fitters, everyone has been prompt, helpful and efficient. The whole job has gone extremely smoothly with a super finished product.

Dear Mr Fletcher,

I am writing to compliment you and your staff on a job well done. From the initial enquiry in the showroom through to the digging out of the footings and final construction, everyone involved has been friendly and efficient. When any problems have been encountered, these have been addressed quickly and we have been kept fully involved and informed.

In an age where it can be hard to rely on people, it is refreshing to use a company that seems to have the same work ethic through it's entire staff. We have already recommended your company to a neighbour and will have no hesitation in doing so again.

Thank you again for a professional service.

Yours sincerely

Yours sincerely

Dear sirs,

I would like to thank everyone who was involved in this project:- Your salesman Steve was very courteous and explained everything in a straight forward way and was very reassuring in his knowledge of the product. The architect, foundation layer, erector and the electrician were all very professional and obviously took pride in their workmanship which shows in the high standard of the finished porch. My wife and I are extremely pleased with the end result and will certainly have no hesitation in recommending your company to friends and family.
